FOR IMMEDIATE RELEASE

Effective Wednesday, March 18th Berrien County Public Transportation (Berrien Bus) will be suspending all scheduled flex route services until further notice. At this time we are still operating demand response service but ask that customers limit their requests to essential services only such as scheduled medical appointments, grocery shopping or employment. We will do everything we can to keep the public updated should further service suspension become necessary based on guidance from the Michigan Department of Transportation or Berrien County Health Officials due to concerns regarding the COVID-19 virus.

Please call (269) 471-1100 with any questions or to request service.
