

Final Question Related to Cass County Transportation Authority (CCTA) Request for Proposal (RFP) for Surveillance System / RFP # 2017-2

This is the 6th and final question received. Numbers 1-5 are on the first posting and notice.

Question 6. Should Attachment A, Materials and Supplies, be completed and submitted with the proposal?

Attachment A, Materials and Supplies Less than \$100,000 does not have to be submitted with the proposal as long as your firm is willing to complete it and sign it if chosen for the project. It will be part of any third party agreement between the CCTA and a vendor.
