TERMINATION (For projects over \$10,000)

a. Termination for Convenience (General Provision) The AGENCY may terminate this contract, in whole or in part, at any time by written notice to the CONTRACTOR when it is in the Government's best interest in compliance with 49 U.S.C. Part 18/FTA Circular 4220.1F. The CONTRACTOR shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The CONTRACTOR shall promptly submit its termination claim to AGENCY to be paid. If the CONTRACTOR has any property in its possession belonging to the AGENCY, the CONTRACTOR will account for the same, and dispose of it in the manner the AGENCY directs.

b. Termination for Default [Breach or Cause] (General Provision) If the CONTRACTOR does not deliver supplies in accordance with the contract delivery schedule, or, if the contract is for services, the CONTRACTOR fails to perform in the manner called for in the contract, or if the CONTRACTOR fails to comply with any other provisions of the contract, the AGENCY may terminate this contract for default. Termination shall be effected by serving a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default. The CONTRACTOR will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract. If it is later determined by the AGENCY that the CONTRACTOR had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the CONTRACTOR, the AGENCY, after setting up a new delivery of performance schedule, may allow the CONTRACTOR to continue work, or treat the termination as a termination for convenience.

c. Opportunity to Cure (General Provision) The AGENCY in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If CONTRACTOR fails to remedy to AGENCY's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by CONTRACTOR of written notice from AGENCY setting forth the nature of said breach or default, AGENCY shall have the right to terminate the

Contract without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude AGENCY from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

d. Waiver of Remedies for any Breach In the event that AGENCY elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this Contract, such waiver by AGENCY shall not limit AGENCY 's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

e. Termination for Convenience (Professional or Transit Service Contracts) The AGENCY, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, the AGENCY shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

f. Termination for Default (Supplies and Service) If the CONTRACTOR fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the CONTRACTOR fails to comply with any other provisions of this contract, the AGENCY may terminate this contract for default. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature of the default. The CONTRACTOR will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract. If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the CONTRACTOR.

g. Termination for Default (Transportation Services) If the CONTRACTOR fails to pick up the commodities or to perform the services, including delivery services, within the time specified in this contract or any extension or if the CONTRACTOR fails to comply with any other provisions of this contract, the AGENCY may terminate this contract for default. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature of default. The CONTRACTOR will only be paid the contract price for services performed in

accordance with the manner of performance set forth in this contract. If this contract is terminated while the CONTRACTOR has possession of AGENCY goods, the CONTRACTOR shall, upon direction of the AGENCY, protect and preserve the

goods until surrendered to the AGENCY or its agent. The CONTRACTOR and AGENCY shall agree on payment for the preservation and protection of goods. Failure to agree on an amount will be resolved under the Dispute clause. If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the AGENCY.

h. Termination for Default (Construction) If the CONTRACTOR refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the CONTRACTOR fails to comply with any other provisions of this contract, the AGENCY may terminate this contract for default. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature of the default. In this event, the AGENCY may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The CONTRACTOR and its sureties shall be liable for any damage to the AGENCY resulting from the CONTRACTOR's refusal or failure to complete the work within specified time, whether or not the CONTRACTOR's right to proceed with the work is terminated. This liability includes any increased costs incurred by the AGENCY in completing the work. The CONTRACTOR's right to proceed shall not be terminated, nor the CONTRACTOR charged with damages under this clause if:

1. the delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the CONTRACTOR. Examples of such causes include: acts of God, acts of the AGENCY, acts of another CONTRACTOR in the performance of a contract with the CONTRACTOR, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. the CONTRACTOR, within [10] days from the beginning of any delay, notifies the AGENCY in writing of the causes of delay. If in the judgment of the AGENCY, the delay is excusable, the time for completing the work shall be extended. The judgment of the AGENCY shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

- a. If, after termination of the CONTRACTOR's right to proceed, it is determined that the CONTRACTOR was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of the CONTRACTOR.

i. Termination for Convenience or Default (Architect and Engineering) The AGENCY may terminate this contract in whole or in part, for the CONTRACTOR's convenience or because of the failure of the CONTRACTOR to fulfill the contract obligations. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the CONTRACTOR shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process.

If the termination is for the convenience of the CONTRACTOR, the Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services.

If the termination is for failure of the CONTRACTOR to fulfill the contract obligations, the AGENCY may complete the work by contract or otherwise and the CONTRACTOR shall be liable for any additional cost incurred by the AGENCY.

If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the CONTRACTOR.

j. Termination for Convenience or Default (Cost-Type Contracts) The AGENCY may terminate this contract, or any portion of it, by serving a notice of termination on the CONTRACTOR. The notice shall state whether the termination is for convenience of the AGENCY or for the default of the CONTRACTOR. If the termination is for default, the notice shall state the manner in which the CONTRACTOR has failed to perform the requirements of the contract. The CONTRACTOR shall account for any property in its possession paid for from funds received from the AGENCY, or property supplied to the CONTRACTOR by the AGENCY. If the termination is for default, the AGENCY may fix the fee, if the contract provides for a fee, to be paid the CONTRACTOR in proportion to the value, if any, of work performed up to the time of termination. The CONTRACTOR shall promptly submit its termination claim to the AGENCY and the parties shall negotiate the termination settlement to be paid the CONTRACTOR. If the

termination is for the convenience of the AGENCY, the CONTRACTOR shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination. If,

after serving a notice of termination for default, the AGENCY determines that the CONTRACTOR has an excusable reason for not performing,

such as strike, fire, flood, events which are not the fault of and are beyond the control of the CONTRACTOR, the AGENCY, after setting up a new work schedule, may allow the CONTRACTOR to continue work, or treat the termination as a termination for convenience.
